# International Council for Respiratory Care

[www.IRCCouncil.org](http://www.IRCCouncil.org)

[info@irccouncil.org](mailto:info@irccouncil.org)

## Member Countries:

Argentina

Brazil

Canada

Columbia

Finland

France

India

Italy

Japan

Mexico

Philippines

Russia

Saudi Arabia

Singapore

South Korea

Spain

Taiwan

Turkey

USA

## Strategic Goals

- I. Establish a global, real time, bi-directional communication system
- II. Enhance and facilitate the acquisition of information relevant to the clinical practice of respiratory care
- III. Promote respiratory education
- IV. Establish transparent operational policies and procedures
- V. Identify and secure appropriate resources
- VI. Develop a marketing and public communications plan
- VII. Assist with the development and promulgation of safe and ethical practice standards and clinical protocols for respiratory care
- VIII. Develop and make available educational materials for the public on health promotion and disease prevention
